Hi Gil,

Hello from Hollywood – I hope you're well! I just wanted to follow up with you regarding our conversation from last year about extending the newer street lights on Hollywood Boulevard eastward, from Gower Street to the 101 Freeway. This is something the BID wants to push for this year as we feel this would greatly improve the streetscape for our eastern gateway into Hollywood. Can you please advise how best we can move this idea forward?

As always, thank you in advance for your assistance with this.

Best regards,
